PROFILE

I am an 18-year-old web developer and enthusiastic freelancer passionate about the tech world. With a strong foundation in programming languages like C, C++, Python, HTML5, and CSS, I am currently expanding my skill set by learning JavaScript and React.js. My journey in technology has been further enriched by my internships at X1 and X2 where I have gained valuable hands-on experience in real-world projects. I thrive on challenges and am always eager to learn and grow in this dynamic field.
